

LOVE SEAT STAND INSTRUCTIONS

CONTENTS LIST HARDWARE

- Top Arch Piece
- Straight Lower Leg Supports
- Arch Support (Slightly Curved)
- Curved Legs
- 4 1/2" Bolt Assembly Set
- 8 1/2" Bolt Assembly Set
- 6" Eyebolt Assembly Set
- Eyebolts for use with two separate chairs on the arch

ESSENTIAL TIPS FOR ASSEMBLY:

- Use 2 people to assemble
- Hand tighten bolts until completely assembled, then tighten all the way.
- Use pictures often for assembly referral
- Straight leg supports go on outside of arch
- Arch support piece has two sides. One side has a sharp angle and one side has short angle.

ASSEMBLY STEPS:

1. Connect lower leg support with two curved legs at the bottom using # 5 (4 1/2" bolt assembly.)
2. Straight Lower Leg Support
3. Attach one end of Arch Support (# 3) to previously assembled curved legs (#6) using 8 1/2" bolt assembly. NOTE: The short angled side of the arch support goes in between the legs.)
4. Slightly Curved Arch Support
5. Repeat lower leg support and arch support assembly for other side of Arch.
6. Connect 2 previously assembled leg pieces with top arch piece (#1) using 8 1/2" bolt assembly (#5.) NOTE: Refer to pictures to assist in Set up.
7. Top Arch Piece
8. Assembled Leg Pieces
9. Connect long angled side of arch support to top arch piece using 6" Eyebolt assembly set (#7.) NOTE: The loveseat hangs from this 6" eyebolt on each side.)
- 10.
11. Long Angled side of Arch Support
- 12.
13. Tighten all bolts completely tight.
